R-Hauz Welcomes New ADU Distributor Happi Builds

R-Hauz is pleased to announce we have entered into a strategic partnership with Happi Builds, who will be offering their concierge services for our R-Suite Laneway and Garden Suite clients going forward. The collaboration between Happi Builds and R-Hauz will focus on improving the homeowner's experience, with best in class concierge service offered by Happi Builds and permitting, product and installation by R-Hauz.

Happi Builds will be the exclusive distributor of R-Hauz's Laneway and Garden Suites in Ontario, working alongside clients, guiding their journey as citizen developers, and ensuring a seamless experience. Whether it's climate technology, real estate, interior design, sustainability, or project management, their team is well-rounded and prepared to assist any homeowner to complete their backyard housing project.

Recognizing the dire need for new technologies to keep up with future demand, R-Hauz has adopted practices that incorporate digitalization, modelling, and prefabricated building materials to create scalable, turnkey building solutions. Our focus remains on delivering these innovative housing solutions. Happi Builds will act as a homeowner's agent, consultant, and concierge from day one until their project completion. Happi Build's mission is to manage every part of the experience, removing frustration and stress from the equation.

We are excited to combine R-Hauz's industry leading turnkey design build services with Happi Build's expertise in the client experience. Happi will be managing the R-Suite process directly with clients, delivering a stress-free experience from day one, allowing us to focus on delivering the best product possible.
